

Cromwell Valley Elementary PTA Faculty Request to School Wide Grant Program

The PTA has designated funds for our faculty to utilize for activities that increase student achievement. If you are interested in making a request for funds, please share the information requested below and return to the PTA treasurer's mailbox in the main office. An initial screening will confirm if the PTA can allocate funds in the manner requested.

We will invite faculty and parent representatives to a future PTA meeting to share your request. All requests will be voted upon by the full PTA membership in attendance. We thank you very much for your request and willingness to enrich the educational experience of CVE students.
