

## CVE Green Club

We're back again! This year the after school Green Club will be around helping "green school" CVE take care of our environment! We will continue with school yard clean ups, stream clean ups and our support of the maintenance of the CVE Nautre Trail! **We will meet the 3<sup>nd</sup> Thursday of the month beginning in October.**

Green Club membership will be open to the entire CVE community; the only prerequisite is that both student and parent complete the application, promising their support of the environment and the club. Due to the nature of our activities, parent volunteers are necessary. **Parents are requested to volunteer for at least two after school meetings per year.** Additionally, there is a onetime \$5 fee to cover snacks for each meeting. **Application and Trail/Stream permission slip deadline is Tuesday, October 14<sup>th</sup>.**

Please feel free to contact me with any questions or concerns. Thanks
